CITIZEN’S CHARTER

MINISTRY OF AGRICULTURE

DEPARTMENT OF AGRICULTURE AND CO-OPERATION

DIRECTORATE OF MARKETING AND INSPECTION

N.H. IV, FARIDABAD-121001

VISION

Agricultural marketing is one of the important sectors of agriculture for ensuring food security of the nation by providing platform for efficient marketing of agricultural produce through orderly marketing and remunerative returns to the farmers for their produce. In order to achieve the 4% growth rate for the agriculture sector, it is necessary to develop need based marketing infrastructure in the country. The Agricultural marketing is State subject and the overall growth rate could only be achieved when the States take proactive steps in reforming agricultural marketing and provide enabling policy initiatives to facilitate private sector for making investments in development of agricultural marketing infrastructures in the country for vibrant and efficient marketing. However, without central assistance, policy and programme coordination, achieving targets and objectives with the help of States/UTs and other stakeholder would not be possible. The Directorate of Marketing and Inspection (DMI) under the Ministry of Agriculture has undertaken a number of initiatives and Central Sector plan Schemes such as Development/Strengthening of Agricultural Marketing Infrastructure, Grading and Standardization (AMIGS), Construction of Rural Godowns (RGS), Marketing Research and Information Network (AGMARKNET).
Mandate of the DMI

- Development/Strengthening of Agricultural Marketing Infrastructure Grading and Standardization;
- Construction of Rural Godowns;
- Marketing Research and Information Network (AGMARKNET);
- Promotion of Standardization and Grading of agricultural and other produce under the Agricultural Produce (Grading and Marking) Act, 1937 (as amended in 1986);
- Training of personnel in agricultural marketing;
- Advising States on Regulation and Management of Agricultural Produce Markets;
- Agricultural Marketing Reforms; and
- Marketing Extension.

Mission

- To accomplish the objectives/targets set for the development of required marketing infrastructures by encouraging active participation of individual/Institutions/Entrepreneurs/Government Agencies under various schemes;
- To achieve the targets of coverage of markets under computer connectivity for dissemination of market information to the farmers/other market users;
- To render necessary support for implementation of quality certification programmes under AGMARK by creating necessary infrastructure and involvement of States/Authorized AGMARK packers;
- To frame/harmonize AGMARK Standards of various agricultural and allied commodities;
- To launch vigorous publicity campaigns through different media channels and in association with different State agencies;
- To develop human resources by training in different disciplines of agricultural marketing, viz Training of Market Secretaries, Diploma Course in Agricultural Marketing, etc;
- To persuade States/UTs to bring about legal reforms in market legislation on the lines of Model Act/Rules circulated by the Ministry of Agriculture for development of unified marketing system in the country; and
- To create Scientific Storage facility for storing farm products.
